

## **FCA Open Twenty20 Match Playing Conditions**

Except as varied hereunder the Laws of Cricket (2000 Code 2nd Edition - 2003) shall apply.

### **1. Law 1 The Players**

#### **1.1 Law 1.1 - Number of Players**

Law 1.1 shall be replaced by the following:

A match is played between two sides. Each side shall consist of 11 players, one of whom shall be captain.

#### **1.2 Law 1.2 - Nomination of Players**

Law 1.2 shall be replaced by the following:

Each captain shall provide a list of the names of the 11 players and the nominated 12<sup>th</sup> man in writing to the umpire(s) before the toss.

No player (including the nominated 12<sup>th</sup> man) may be changed after the toss without the consent of the opposing captain.

#### **1.3 Law 1.3 – Captain**

The following shall apply in addition to Law 1.3 (a):

The deputy must be one of the 11 nominated players.

### **2. Law 2 - Substitutes and Runners, Batsman or Fielder Leaving the Field, Batsman Retiring, Batsman Commencing Innings**

Law 2 shall apply subject to the following:

#### **2.1 Law 2.5 - Fielder absent or leaving the field**

Law 2.5 shall be replaced by the following:

If a fielder fails to take the field with his side at the start of the match or at any later time, or leaves the field during a session of play, the umpire shall be informed of the reason for his absence, and he shall not thereafter come on to the field during a session of play without the consent of the umpire. (See Law 2.6 as modified). The umpire shall give such consent as soon as practicable.

If the player is absent from the field for longer than 8 minutes:

2.1.1 the player shall not be permitted to bowl in that innings after his return until he has been on the field for at least that length of playing time for which he was absent.

2.1.2 the player shall not be permitted to bat unless or until, in the aggregate, he has returned to the field and/or his side's innings has been in progress for at least that length of playing time for which he has been absent or, if earlier, when his side has lost five wickets.

The restriction in Clauses 2.1.1 and 2.1.2 above shall not apply if the player has suffered an external blow (as opposed to an internal injury such as a pulled muscle) whilst participating earlier in the match and consequently been forced to leave the field. Nor

shall it apply if the player has been absent for very exceptional and wholly acceptable reasons (other than injury or illness).

In the event of a fieldsman already being off the field at the commencement of an interruption in play through ground, weather or light conditions or for other exceptional circumstances, he shall be allowed to count any such stoppage time as playing time, provided that he personally informs the umpires when he is fit enough to take the field had play been in progress.

### **3 Law 3 - The Umpires**

#### **3.1 Law 3.1 - Appointment and attendance**

The following rules for the selection and appointment of SM 45 league umpires shall be followed as far as it is practicable to do so:

- 3.1 Clubs will be nominated to officiate a certain match.
- 3.2 Clubs will be held responsible to provide umpires for the said match.
- 3.3 If the club is unable to provide an umpire, then 2 points will be deducted from club's aggregate. The club would have no right to appeal regarding this decision.
- 3.4 In case of emergencies and other extraordinary circumstances, the club, is however, free to consult other teams, in order to nominate a substitute. This has to be informed to LSC 3 days prior to the match. These exceptional circumstances will be scrutinized by LSC.
- 3.5 In case the nominated umpire(s) fail to turn up for a match, then LSC will try to nominate a substitute for the match. This, again would lead to deduction of 2 points from the team whose responsibility was to provide the umpire. If LSC is unable to find any substitute, then the particular match will be replayed. If the match cannot be replayed, then both the teams will be awarded 4 points and the match will be declared as tie/abandoned.
- 3.6 Neither team will have a right of objection to an umpire's appointment.
- 3.7 The umpires shall be present at the ground at least one hour before the scheduled start of play.
- 3.8 Umpire(s) will be responsible to make sure that the final scorecard is duly signed by the respective captains and by the umpire (s) and is posted to:

**Yasir Abdul Quadir**  
**Topeliuksenkatu 35 A 2**  
**00250 Helsinki.**

The final scores should also be sent by SMS to **Andrew Armitage (0400298266)**. This will be the responsibility of the umpire(s).

### **3.2 Law 3.2 - Change of Umpire**

The following shall apply in place of Law 3.2:

3.2.1 An umpire shall not be changed during the match, other than in exceptional circumstances, unless he is injured or ill.

### **3.3 Law 3.8 - Fitness of Ground, Weather and Light and**

#### **Law 3.9 - Suspension of play for adverse conditions of ground, weather or light**

3.3.1 Law 3.8 Fitness of ground, weather and light

The umpires shall be the final judges of the fitness of the ground, weather and light for play.

3.3.2 Law 3.9 Suspension of play for adverse conditions of ground, weather or light

(a) For the purpose of this Law only, the batsmen at the wicket may deputise for their captain at any appropriate time.

(b) If at any time the umpires together agree that the condition of the ground, weather or light is not suitable for play, they shall inform the captains and, unless

(i) in unsuitable ground or weather conditions both captains agree to continue, or to commence, or to restart play, or (ii) in unsuitable light the batting side wishes to continue, or to commence, or to restart play, they shall suspend play, or not allow play to commence or to restart.

(c) (i) After agreeing to play in unsuitable ground or weather conditions, either captain may appeal against the conditions to the umpires before the next call of Time. The umpires shall uphold the appeal only if, in their opinion, the factors taken into account when making their previous decision are the same or the conditions have further deteriorated.

(ii) After deciding to play in unsuitable light, the captain of the batting side may appeal against the light to the umpires before the next call of Time. The umpires shall uphold the appeal only if, in their opinion, the factors taken into account when making their previous decision are the same or the condition of the light has further deteriorated.

(d) If at any time the umpires together agree that the conditions of ground, weather or light are so bad that there is obvious and foreseeable risk to the

safety of any player or umpire, so that it would be unreasonable or dangerous for play to take place, then notwithstanding the provisions of (b)(i) and (b)(ii) above, they shall immediately suspend play, or not allow play to commence or to restart. The decision as to whether conditions are so bad as to warrant such action is one for the umpires alone to make.

The fact that the grass and the ball are wet and slippery does not warrant the ground conditions being regarded as unreasonable or dangerous. If the umpires consider the ground is so wet or slippery as to deprive the bowler of a reasonable foothold, the fielders of the power of free movement, or the batsmen of the ability to play their strokes or to run between the wickets, then these conditions shall be regarded as so bad that it would be unreasonable for play to take place.

(e) When there is a suspension of play it is the responsibility of the umpires to monitor the conditions. They shall make inspections as often as appropriate, unaccompanied by any of the players or officials. Immediately the umpires together agree that conditions are suitable for play they shall call upon the players to resume the game.

(f) If play is in progress up to the start of an agreed interval then it will resume after the interval unless the umpires together agree that conditions are or have become unsuitable or dangerous. If they do so agree, then they shall implement the procedure in (b) or (d) above, as appropriate, whether or not there had been any decision by the captains to continue, or any appeal against the conditions by either captain, prior to the commencement of the interval.

3.3.3 If conditions during a rain stoppage improve and the rain is reduced to drizzle, the umpires must consider if they would have suspended play in the first place under similar conditions. If both on-field umpires agree that the current drizzle would not have caused a stoppage, then play shall resume immediately. In these circumstances the provisions of Laws 3.9 (b) (i) and 3.9 (c) (i) shall not apply.

3.3.4 If a shadow from the fielder falls across the strikers half of the pitch, the fielder must remain stationary from the time the bowler commences his run up until the striker has received the ball. In the event of a fielder moving before the striker receives the ball, the umpire shall call and signal 'dead ball' if he considers the striker has been disadvantaged by the action.

## **4 Law 4 - The Scorers**

### **4.1 Law 4.2 - Correctness of scores**

Attention is drawn to Clause 21. Any decision as to the correctness of the scores shall be the responsibility of the umpires.

Umpire(s) will be responsible to make sure that the final scorecard is duly signed by the respective captains and by the umpire (s) and is posted to:

**Yasir Abdul Quadir**  
**Topeliuksenkatu 35 A 2**  
**00250 Helsinki.**

The final scores should also be sent by SMS to **Andrew Armitage (0400298266)**. This will be the responsibility of the umpire(s).

## **5 Law 5 - The Ball**

### **5.1 Law 5.2 - Approval and control of balls**

Law 5.2 shall be replaced by the following:

Before the start of the game the home team shall pass to the umpire(s) two (2) T20 Open cricket balls (must be the balls provided by FCA) and spare used balls for changing during a match, which shall also preferably be of the same brand. The match balls for the full season will be provided by FCA to each club before the beginning of the season

The fielding captain or his nominee may select the ball with which he wishes to bowl from the supply provided by the Home team.

The umpires shall retain possession of the match ball(s) throughout the duration of the match when play is not actually taking place. During play umpires shall periodically and irregularly inspect the condition of the ball and shall retain possession of it at the fall of a wicket, a drinks interval, or any other disruption in play.

**In case the home team does not provide the FCA match balls, then the home team will be fined 50€ (per match).**

### **5.2 Law 5.5 - Ball lost or becoming unfit for play**

In the event of a ball during play being lost or in the opinion of the umpires, being unfit for play through normal use, the umpires shall allow

it to be replaced by one that in their opinion has had a similar amount of wear.

In the event of the ball becoming wet and soggy as a result of play continuing in inclement weather or it being affected by dew, the ball may be replaced for a ball that has similar amount of wear, even though it has not gone out of shape.

If the ball is to be replaced, the umpire shall inform the batsman. Either batsman or bowler may raise the matter with the umpires and the umpires' decision as to a replacement or otherwise will be final.

## **6 Law 9 - The Bowling, Popping and Return Creases**

### **6.1 Law 9.3 - The Popping Crease**

Law 9.3 shall apply.

## **7 Law 12 - Innings**

Law 12 shall apply subject to the following (see also clauses 15 and 16 below):

### **7.1 Law 12.1 - Number of innings**

Law 12.1 shall be replaced by the following:

All matches will consist of one innings per side, each innings being limited to a maximum of 20 overs

### **7.2 Length of Innings**

#### **7.2.1 Uninterrupted Matches.**

- a Each team shall bat for 20 overs unless all out earlier.
- b If the team fielding first fails to bowl the required number of overs by the scheduled time for cessation of the first innings, play shall continue until the required number of overs has been bowled. The interval shall not be extended and the second session shall commence at the schedule time. The team batting second shall receive its full quota of 20 overs irrespective of the number of overs it bowled in the scheduled time for the cessation of the first innings.

- c If the team batting first is dismissed in less than 20 overs, the team batting second shall be entitled to bat for 20 overs.
- d If the team fielding second fails to bowl 20 overs by the scheduled cessation time, the hours of play shall be extended until the required number of overs has been bowled or a result is achieved.

#### 7.2.2 Delayed or Interrupted Matches

- a Delay or Interruption to the Innings of the Team Batting First (see Appendix B)
  - (i) When playing time has been lost the revised number of overs to be bowled in the match shall be based on a rate of 15 overs per hour, which is inclusive of the provision of drinks intervals, in the total remaining time available for play.
  - (ii) The revision of the number of overs should ensure, whenever possible, that both teams have the opportunity of batting for the same number of overs. The team batting second shall not bat for a greater number of overs than the first team unless the latter completed its innings in less than its allocated overs. To constitute a match, a minimum of 10 overs have to be bowled to the side batting second, subject to the innings not being completed earlier.
  - (iii) A fixed time will be specified for the commencement of the interval, and also the close of play for the match, by applying a rate of 15 overs per hour. When calculating the length of playing time available for the match, or the length of either innings, the timing and duration of all relative delays, extensions in playing hours, interruptions in play, and intervals, excluding those for drinks, will be taken into consideration. This calculation must not cause the match to finish earlier than the original time for cessation of play on the final scheduled day for play. If required the original time shall be extended to allow for one extra over for each team.

- (iv) If the team fielding first fails to bowl the revised number of overs by the specified time, play shall continue until the required number of overs have been bowled or the innings is completed.
  - (v) Should calculations regarding numbers of overs result in a fraction of an over, the fraction shall be ignored.
- b) Delay or Interruption to the innings of the Team Batting Second (see Appendix C)
- (i) When playing time has been lost and, as a result, it is not possible for the team batting second to have the opportunity of receiving its allocated, or revised allocation of overs in the playing time available, the number of overs shall be reduced at a rate of 15 overs per hour, which is inclusive of the provision of drinks intervals, in respect of the lost playing time. Should the calculations result in a fraction of an over the fraction shall be ignored.
  - (ii) In addition, should the innings of the team batting first have been completed prior to the scheduled, or re-scheduled time for the commencement of the interval, then any calculation relating to the revision of overs shall not be effective until an amount of time equivalent to that by which the second innings started early has elapsed.
  - (iii) To constitute a match, a minimum of 10 overs have to be bowled to the team batting second subject to the innings not being completed earlier.
  - (iv) The team batting second shall not bat for a greater number of overs than the first team unless the latter completed its innings in less than its allocated overs.
  - (v) A fixed time will be specified for the close of play by applying a rate of 15 overs per hour. With the exception of drinks intervals, the timing and duration of all relative delays, extensions in playing hours and interruptions in play, will be taken into consideration in specifying this time.

- (vi) If the team fielding second fails to bowl the revised overs by the scheduled or re-scheduled close of play, the hours of play shall be extended until the overs have been bowled or a result achieved.

### **7.3 Number of Overs per Bowler**

No bowler shall bowl more than 4 overs in an innings.

In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second, no bowler may bowl more than one-fifth of the total overs allowed.

Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.

In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

The scoreboard shall show the total number of overs bowled and the number of overs bowled by each bowler.

**36.2 Restrictions on the placement of fieldsmen**

36.2.1 At the instant of delivery, there may not be more than 5 fieldsmen on the leg side.

36.2.2 In addition to the restriction contained in clause 36.2.1 above, further fielding restrictions shall apply to certain overs in each innings. The nature of such fielding restrictions and the overs during which they shall apply (hereinafter referred to as the Fielding Restriction Overs) are set out in the following paragraphs.

36.2.3 The following fielding restrictions shall apply:

- a) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two

parallel straight lines drawn on the field. (Refer attached appendix 1). The fielding restriction areas should be marked by continuous painted white lines or 'dots' at 5 yard (4.57 metres) intervals, each 'dot' to be covered by a white plastic or rubber (but not metal) disc measuring 7 inches (18 cm) in diameter. During the Fielding Restriction Overs (as set out below), only two fieldsmen shall be permitted outside this fielding restriction area at the instant of delivery.

- b) Two inner circles shall be drawn on the field of play. The circles shall have as their centres the centrepoint of the popping crease at either end of the pitch. The radius of each of the circles shall be 15 yards (13.72 metres). The fielding restriction area should be marked by 'dots'. The segment of the circles reserved for the slip positions shall not be demarcated (refer attached appendix 1). During the block of Fielding Restriction Overs (in an uninterrupted innings, the first 6), there must be a minimum of two stationary fieldsmen within this fielding restriction area at the instant of delivery. When a fast bowler is bowling the two stationary fieldsmen may be permitted to stand deeper than 15 yards (13.72 metres) (in the undemarcated area) provided only that they are standing in slip, leg slip or gully positions.

36.2.4 During the non Fielding Restriction Overs, no more than 5 fieldsmen shall be permitted outside the fielding restriction area referred to in clause 36.2.3 a) above.

36.2.5 The Fielding Restriction Overs shall apply for initial 6 overs per innings.

36.2.6 Where, in an interrupted innings, on resumption the recalculated number of Fielding Restriction Overs (as set out above) is no longer achievable, the actual number of Fielding Restriction Overs for that innings will be the closest achievable whole number (subject to observing 36.2.8 below).

The number of restricted overs will be calculated using the following method during an interrupted match:

<b>Total overs in innings</b>	<b>No. of overs for which fielding restrictions in clauses 41.2 .3 41.2.5 above will apply</b>
5-6	1
7-9	2
10-13	3
14-16	4

17-19	5
20	6

36.2.7 Fielding Restriction Overs must commence at the start of an over.

36.2.8 If an innings is interrupted during an over, the status of that over (that is whether it is a Fielding Restriction Over or not) must be retained when the over is completed. Provided that if on the resumption of play, due to the reduced number of overs of the batting team, the required number of Fielding Restriction Overs have already been bowled, the remaining deliveries in the over to be completed shall not be subject to the fielding restrictions.

36.2.9 In the event of an infringement of any of the above fielding restrictions, the square leg umpire shall call and signal 'No Ball'.

- e For the avoidance of doubt any fast short pitched delivery that is called a wide under this playing condition shall also count as the allowable short pitched delivery in that over
- f In the event of a bowler bowling more than one fast short-pitched delivery in an over as defined in Clause 42.4.1 (b) above, the umpire at the bowlers end shall call and signal no ball on each occasion. A differential signal shall be used to signify a fast short pitched delivery. The umpire shall

call and signal 'no ball' and then tap the head with the other hand.

- g If a bowler delivers a second fast short pitched ball in an over, the umpire, after the call of no ball and when the ball is dead, shall caution the bowler, inform the other umpire, the captain of the fielding side and the batsmen at the wicket of what has occurred. This caution shall apply throughout the innings.
- h If there is a second instance of the bowler being no balled in the innings for bowling more than one fast short pitched delivery in an over, the umpire shall advise the bowler that this is his final warning for the innings.
- i Should there be any further instance by the same bowler in that innings, the umpire shall call and signal no ball and when the ball is dead direct the captain to take the bowler off forthwith. If necessary, the over shall be completed by another bowler, who shall neither have bowled the previous over, or part thereof, nor be allowed to bowl the next over, or part thereof.
- j The bowler thus taken off shall not be allowed to bowl again in that innings.
- k The umpire will report the occurrence to the other umpire, the batsmen at the wicket and as soon as possible to the captain of the batting side.
- l The umpires will then report the matter to the LSC disciplinary committee, who shall take such action as is considered appropriate against the captain and the bowler concerned.
