

ADDITION TO PLAYING CONDITIONS

Due to the fragile state of grass growth next to the pitch at the KNCG, the following interpretation has been applied to the Finnish One-Day League and Finnish Twenty20 League Playing Conditions.

Laws 41.12 (Fielder damaging the pitch), 41.13 (Bowler running on protected area), and 41.14 (Batsman damaging the pitch) will be applied to any presence on the area close to the pitch marked off-limits.

This interpretation is in force until further notice.
