

New and improved Sports Cover

Ceiling for medical treatment expenses raised from EUR 8,500 to EUR 15,000

Injuries resulting from unforeseen events now also covered

- Only injuries resulting from accidents were covered previously. 'Accident' was defined as a "sudden external event that causes bodily injury".

Exertion

- Previously, medical treatment expenses were covered if the policy holder sought medical attention within 14 days of the injury.
- MRI and surgical procedures were not covered.

Unforeseen event

- No external cause required
- Can be an accident or over-exertion
- No time limit for seeking treatment for injuries sustained as a result of over-exertion
- MRI and surgical procedures now also covered

- No upper age limit
- Covers all sports-related injuries in children under the age of 12
- EUR 100 deductible for everyone except children under the age of 12
- Covers orthopaedic braces and bandages
- No time limit for claiming compensation for dental injuries
- Also covers injuries exacerbated by pre-existing medical conditions (e.g. Achilles tendon rupture, rotator cuff tear, spinal disc herniation)
